

ANNOUNCING NEW SWISS NON-STOP SERVICE FROM SAN FRANCISCO – ZURICH

SWISS announces today new long-haul service between San Francisco and Zurich six times a week. The non-stop service offers Bay Area passengers the opportunity to enjoy Swiss hospitality and feel right at home while flying directly into Zurich, the heart of Europe, with convenient connections throughout Europe.

The new service will begin on June 2, 2010 with an Airbus 340 complete with the SWISS First and SWISS Business cabins plus a more comfortable SWISS economy experience.
